FULL CROSS STITCH

Be sure that all your stitches lay in the same direction. Bottom stitches in one direction and top stitches in the opposite direction. We work our stitches from the bottom left-hand corner to the top right-hand corner, then return in the opposite direction.

FRENCH KNOT

(Using 1 strand of Floss)

- Come up through fabric at point A. (Figure 1)
- Hold floss in your left hand. Lay your needle over floss 3 times going clockwise. (Figure 2)
- Keep holding floss securely with left hand and insert needle near point A (not in same hole). With floss still in your left hand (to help guide floss) pull your needle through to the back of your fabric. (Figure 3)
